

Bookmarked: A Book Lovers Journal: Biographical Books Edition (Volume 2)

Bookmarked: A Book Lovers Journal is the perfect place to record and react to the books you've read and want to remember. Here, you can keep track of 40 books with four pages allotted for each book to record your thoughts and reactions, along with basic plot and story lines. This is the place to keep track of the points you want to remember to discuss with book club members or when making recommendations to others. This book also features sections to help you organize your reading life. There are pages to record books you want to read soon, books you've lent out, contact info for fellow book lovers and even a topical index. The soft cover and small size make it easy to add to your bag for note-taking on the go. This journal makes for a thoughtful and attractive personal gift.
