

# WordPress: Visual QuickStart Guide

This book gives readers the tools they need to create beautiful, functional WordPress-powered sites with minimal hassle. Using the WordPress user interface as a baseline, authors Jessica Neuman Beck and Matt Beck walk new users through the installation and setup process while providing valuable tips and tricks for more experienced users. With no other resource but this guide, readers can set up a fully-functional and well-designed WordPress site that takes advantage of all the features WordPress has to offer.
