

# Bridge Abridged: A Comprehensive and Concise Statement of the Maxims, Rules and Principles (Classic Reprint)

This little work (written by request) is designed chiefly for such as would like as comprehensive a knowledge as possible of Bridge play and the principles governing it, at a minimum expenditure of time and effort. The various subjects have been treated in as concise a manner as practicable consistent with thoroughness. Special reference has been made in many instances to points of similarity between Bridge and Whist in the belief that this would be helpful to the Whist player essaying Bridge, and in no wise a deterrent to the advancement of the non-Whist player. The player who attempts Bridge without some previous knowledge of Whist will of necessity find his progress slow and perhaps discouraging. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text.
