

## Daughter of Destiny

In the 50 years of her ministry, Kathryn Kuhlman may have personally witnessed to her Lords love and power before 50,000,000 people! For many years she conducted an average of 135 Miracle Services a year. And wherever she held her services, people who once thought miracles impossible, learned to believe in miracles. Before she died, Kathryn Kuhlman asked that only Jamie Buckingham be allowed to write her official biography, withholding nothing. Here is the story of her life, with all her successes and all her failures. It is not the story of a plaster saint, but of a very human woman of marriage and divorce, a betrayal within her own staff, of the shadowy events that surrounded her death. It is the story of Kathryn Kuhlman that few knew, as she wanted it told all of it. It is the story of the redhead from Missouri who became the foremost woman evangelist of the 20th century.
