

dtiMetrics Printed Access Card for Andrews A+ Guide to Managing & Maintaining Your PC (Test Preparation)

dtiMetrics is the ultimate assessment tool, providing hundreds of questions which map to the A+ certification exam objectives as well as to the chapters and pages of A+ Guide to Managing & Maintaining Your PC, Seventh Edition. It includes a quiz for each chapter in the book, in addition to a mid-term and final exam that can be assigned by instructors. dtiMetrics helps learners ensure they are learning and retaining all relevant content, while providing class tracking tools for instructors. Remediation-based reporting for instructors and students allows evaluation of student or class achievement per objective. Bundled with the book, dtiMetrics is a powerful resource for both instructors and learners.
