

## Computational Science and Its Applications - ICCSA 2010: International Conference, Fukuoka, Japan, March 23-26, 2010, Proceedings, Part IV (Lecture Notes in Computer Science)

This four-volume set synthesizes the International Conference on Computational Science and Its Applications, ICCSA 2010. Topics include computational methods, algorithms and scientific application, high performance computing and networks, and more.

**The 17th International Conference on Computational Science and Its Applications (ICCSA 2010)**, Fukuoka, Japan, March 23-26, 2010, Proceedings, Part IV. Edited by David Taniar, Osvaldo Gervasi, Beniamino Murgante, Eric Pardede, and Bernady O. Apduhan. Lecture Notes in Computer Science (LNCS) 6019. Springer, 2010. ISBN 978-3-642-11700-0. This volume contains 418-426 pages of proceedings from the 17th International Conference on Computational Science and Its Applications, ICCSA 2010, held in Fukuoka, Japan, from March 23-26, 2010. The conference is part of a series of highly successful international conferences, including Santander, Spain (2011), Fukuoka, Japan (2010), Suwon, Korea (2009), and others. The proceedings are published by Springer International Publishing AG, part of Springer Science+Business Media. The book is available on eBay and is also accessible via a digital platform. The 14th International Conference on Computational Science and Its Applications, Guimaraes, Brazil, June 18-21, 2012, Proceedings, Part IV, is also mentioned. The book is available on eBay and is also accessible via a digital platform. The 2010 International Conference on Computational Science and Its Applications (ICCSA 2010) was held at Kyushu Sangyo University, Fukuoka, Japan. The conference proceedings are available at <http://www.iccsa-conference.org/>.
