

Advanced Auction and Contract Bridge Tactics for the Keen Player

Bridge is played by millions of avid fans from around the world. This book is aimed at the committed player who wishes to learn the real tricks and secrets of the game from the eleven rule to the common mistakes made by all in the beginning. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
