

Adobe(R) Photoshop(R) 7: Advanced Digital Imaging (Against the Clock)

Written by educators, for educators, the *Against the Clock* series is the complete solution for courses in Graphic Multimedia or Web Design Software. The hands-on, project-based texts are packaged with resource CD-ROMs that contain all the files needed to create the step-by-step projects in the text. Instructor CD-ROMs include assessments, overhead presentation materials, and additional projects. Topics covered include media and color, color correction, repair and retouching, animation, colorizing and Image Ready. This title is ideal for professionals who teach Adobe Photoshop, or educators of any course that includes graphic arts software and computer design software, or for anyone interested with a working knowledge of Adobe Photoshop 7, who is ready to proceed to the advanced level.
