

# Alaskan Cruising Guide 2011

The Alaskan Cruise is arguably one of the worlds most visually exciting travel opportunities. This guide provides answers to some of your Alaskan cruising questions and some tips to help you enjoy your once in a lifetime experience. Please note - this is not an attempt to provide a comprehensive guide to all the locations, there are enough of these glossy versions available. This guide provides answers to the questions you might have about the cruising experience, with information from the cruise that is not even available on the ships websites.[this guide contains approx 4,500 words, as well as full color photos]
