

## All My Patients Kick and Bite: More Favorite Stories from a Vets Practice

The highly amusing, uplifting and entertaining follow-up to All My Patients Have Tales. In this second collection by our intrepid vet, Jeff Wells has his work cut out for him when he learns that llamas do not take kindly to having their toenails trimmed, dog owners in the medical field can be a real pain, Scottish Highland cattle stick together and just might run a vet out of their enclosure, and fixing an overly amorous burro often needs to be prioritized. Told with Wells's trademark humor and gentle touch, these and many other heartwarming, heartbreaking, funny and strange stories will give readers a whole new appreciation for those who care for our pets..
