Map Pack: Vietnam Central & Southern

Vietnam is growing rapidly in touristic interest. ITMB is pleased to announce the release of our most recent map pack bundling, this time of Vietnam Central & Southern. This Map Pack has a value of \$27 if purchased separately, and a packaged price of \$19.95 if purchased in this bundle. The maps are all current editions, conveniently grouped together in a transparent plastic bag with a new cover, showing the covers of the two maps. Hue and Central Vietnam Travel Reference Map 1:330,000 1st Edition, 1:330,000 scale This is the latest in our ITM series on South East Asia travel destinations. Vietnam, as a country, rather nicely divides into three sections that roughly correspond with the former French colonial divisions of the coastline. Hue was the royal capital and, while better known for the horrific battle that took place there during the 1968 Tet Offensive, is a cultural heritage site par excellence. The royal tombs along the Perfume River are marvelous to see. The map covers from Vinh in the north to Quang Tri in the south and has detailed city maps of Da Nang, historic Hoi An, and Hue, as well as an expanded map showing the royal tombs; printed double-sided. Mekong Delta and Southern Vietnam Scale 1:500,000 Being the economic heartland of VN, this area has the greatest concentration of population and the highest level of prosperity in the country. With this edition, we have doubled-up the map by adding a map of the Mekong Delta to the reverse side. The Nine Mouths of the Dragon southernmost portion of VN, of which HCM City is a part, is a fascinating part of Asian life, where fervent religious temples originating with the Cham culture of Cambodia co-exist with the Cao Dai amalgam religious movement. Most visitors to HCM also want to see the Cao Dai religious centre in nearby Tay Ninh, or spend time at the seaside resort of Vung

Tau, or explore the various tributaries of the Mekong River. Thus, the regional map is a significant improvement to the city map, and brings this title into line with our other Vietnamese maps, Hue Region and Hanoi and Region. This maps is also available in digital format for \$39.95 (per file) and flat map for \$39.95 (per side). Please contact [map@itmb.com](mailto:map@itmb.com) if you would want to place an order or for more information. \* Please note to all retailers and distributors, this product is NOT subject to Return or Exchange, due to the deep discounts inherent in such an offer. It is well packed and should be sold as a bundle package to customers. As with other map packs that ITMB has produced, this offer is available to individuals, libraries, retailers and distributors.
