

Unofficial Resident Evil 2: Ultimate Strategy Guide

Resident Evil 2, following on the success of Resident Evil, retains all the zombie-killing, puzzle-solving, real-time adventure of the original, while adding a new setting, outdoor scenes, and even harder puzzles. Capcom's Resident Evil is one of the best-selling PlayStation games ever, and the hugely anticipated Resident Evil 2 -- with its many improvements - is expected to have at least as big an audience. Toy Biz, Inc., is releasing a line of Resident Evil toys in April, and Wild Storm Entertainment is planning a line of Resident Evil comic books.
