

Biomedical Image Registration: 6th International Workshop, WBIR 2014, London, UK, July 7-8, 2014, Proceedings (Lecture Notes in Computer Science)

This book constitutes the refereed proceedings of the 6th International Workshop on Biomedical Image Registration, WBIR 2014, held in London, UK, in July 2014. The 16 full papers and 8 poster papers included in this volume were carefully reviewed and selected from numerous submitted papers. The full papers are organized in the following topical sections: computational efficiency, model based regularisation, optimisation, reconstruction, interventional application and application specific measures of similarity.
