

Birnbaums Disneyland Resort 2014 (Birnbaum Guides)

This updated edition of Birnbaums Disneyland Resort, the most respected and well-known name in Disney guides, takes readers through Walt Disney's first theme park with ease and flair. Since our guide is the only guide that's official, this book includes the most accurate and current information on prices and attractions. Here are some of the highlights for the 2014 guide:--If you haven't visited Disney's California Adventure lately, you may not recognize the park when you do! Having undergone a huge metamorphosis, it features two brand-new fun zones: Cars Land, a technicolor playground featuring friends from Radiator Springs, and the bustling Buena Vista Street. The 2014 Birnbaum Guide includes expanded descriptions of all new attractions, including the instant classic known as Radiator Springs Racers.--Birnbaum fills you in on the best new places to fill up: from Chile Cone Queso at the Cozy Cone Motel to Sierra Golden Trout at Carthay Circle Restaurant. Plus newcomers such as the Jolly Holiday Bakery Cafe and The Earl of Sandwich.--Birnbaum's Getting Ready To Go chapter offers key vacation-planning information: How to cut costs on lodging and meals; tips on traveling with and without kids; strategies for getting to and from Disneyland; and a handy Fingertip Reference Guide with details on car care, medical matters, and more.--Disneyland's slate of live entertainment is as dynamic as ever. Our guidance will help you get the best seats for perennial crowd-pleasers like Mickey's Soundsational Parade and Fantasmic!--Disney's Fastpass system helps you beat the lines at many of the park's best attractions. We'll tell you how.--More money-saving coupon offers than ever before! Our guide is also the only one allowed to feature Disney characters. And Birnbaum's Disneyland Resort is the most comprehensive guidebook, offering

complete information on the Magic Kingdom, Disney's California Adventure, and Downtown Disney, as well as details about Anaheim area attractions, things to do in Los Angeles, and special driving routes around Southern California. This is the only guide to Disneyland that readers need, entirely updated every year.
