

BOER WAR: The Letters, Diaries and photographs of Malcolm Riall from the war in South Africa 1899-1902

The Boer War, 1899 -1902, was one of the first major conflicts to be captured on film. Malcolm Riall, a young officer with the West Yorkshire regiment, recorded his experiences of the war in diaries, letters and photographs that were taken with a three guinea Kodak camera. This book presents selections of this unique archive, which up until now has remained perfectly preserved in the care of his family.
