

Boxes: The Secret Life of Howard Hughes

This second edition of *Boxes: The Secret Life of Howard Hughes* continues the history-changing story of Eva McLelland and her reclusive life married to a mystery man she discovered was Howard Hughes. New witnesses have come forward with personal stories, additional evidence, and photographs. Hughes links to the murder of mobster Bugsy Siegel and the killers of President John F. Kennedy are revealed as well as the real identity of the long-haired crazy man that Hughes placed in the Desert Inn Hotel to distract the world while he escaped. Eva McLelland kept her secret for thirty-one stressful years as she lived a nomadic existence with a man who refused to unpack his belongings for fear he would be discovered and have to flee. Only her husband's death finally released her to tell the story that had been burning inside her for decades.
