

Walt Disney World: The Full Report: 4th Edition

Walt Disney World: The Full Report is a compilation of tips, tricks and information gathered over years of visiting The Most Magical Place on Earth. The book breaks down every ride, show and attraction for each of the Walt Disney World Resorts theme parks. Unlike other theme park guide books, Walt Disney World: The Full Report is written with a sense of humor, in hopes of lightening up the typical travel book. The Full Report informs you without bogging you down with complicated, structured strategies that make you feel as though you are studying for a college entrance exam. In this edition, we welcome a new addition to the WDW: Full Report, Greg McNaughton. Greg is a former Disneyland Cast Member, and he adds his insights and experience on what the Disney parks should have been or could still be. Greg is a co-host for the popular MiceCast podcast as well as the host for Imagineering My Way and At The Main Street Cinema. Greg feels that being part of three podcasts is not enough, he is also part of the Travelears podcast.
