

## Broken Beyond Repair

About the Author Timothy (Tim) Parker is 41-years-old as of the publishing of this book in 2016 and works full-time as a Payroll Supervisor for a small company in Covington, KY (A suburb of Cincinnati). I have been married happily since 2002 to the best wife a man could ask for Maureen Parker. I live with my wife and 4 cats in a small apartment on Cincinnati's east side. This is my first endeavor writing a book and have planned at least two more works for the future. As of the writing of this book I have no children but have been blessed with 8 nieces and 4 nephews on both sides of the family. We also work with 1 - 4 year olds in Pre-School ministry at Parkside Christian Church where we have been members since 2007. I also work with the homeless in Cincinnati dealing with brokenness in their lives. God has blessed me beyond belief and I am happy to share all that is within this book in hopes that no one else endured the mistakes that I have made.
