

## Build Your Own Multimedia PC (Save a Bundle/Aubrey Pilgrim)

Completely revised and updated throughout to reflect many new developments in PC-based multimedia technology, this book puts today's best video, sound, animation, and graphics software within reach of even the most budget-minded computer users. Aubrey Pilgrim, bestselling author of more than 200,000 guides for do-it-yourself PC builders, demonstrates how to assemble a state-of-the-art multimedia PC system that meets or exceeds all MPC requirements. In addition to recommending software for a wide range of multimedia applications.
