

Sams Teach Yourself SAP R/3 in 24 Hours (Sams Teach Yourself...in 24 Hours)

The perfect reference for end-users (accounting clerks, sales reps, shipping and receiving clerks, human resources employees, etc.) who merely use SAP as a tool to get their job done. Much of the coverage is aimed at immediate material so that end-users can get back to work on their job functions with the SAP software. Chapters on navigation, integration with Microsoft Office, reporting, business process, and performing common tasks will jump start you into getting work done, and accomplishing more immediately.
