

# California Gold Camps: A Geographical and Historical Dictionary of Camps, Towns, and Localities Where Gold Was Found and Mined, Wayside Stations and Trading Centers

Many books have been written about the California Gold Rush, but a geographical-historical dictionary has long been lacking. With the publication of California Gold Camps, a monumental project has been completed. California Gold Camps is a basic reference that will be indispensable to the historian, the geographer, and to the general reader interested in California's colorful past.
