

## CATastrophe: A CATalog of Captivating Cats and More Cats

Today, nearly 200 million people around the world own cats, and cat videos are hugely popular on Facebook, Instagram, and other social media. In many of them, cats do such funny things. It is in that spirit that I have created this book, which combines photos of cats with humorous captions that combine wordplays with popular sayings and comments about cats. It features cats in these categories: - Cats with attitude - Hiding out - Getting into things - Going places - Dress up - Cats at work - Know-it-alls - Getting some exercise - Chasing things
