

## Certification Circle: Microsoft Office Specialist Word 2002 - Core (Illustrated (Thompson Learning))

The quick, visual way to build computer skills . These concise, friendly books use blockbuster visuals to teach one skill per two-page spread. They capture your attention, get you up and running quickly, and encourage exploration. This unique design makes information extremely accessible and easy to absorb, and provides a great reference for future use.-- Each highly-visual two-page spread focuses on a single software skill with the steps on the left and colorful screenshots on the right.-- Clues to Use Boxes provide concise information that expand on the major lesson skill or describe an independent task relating to the major lesson skill.-- Using a real-world case, the process of solving problems is more meaningful.
