

Software Maintenance (Icsm 2000): 2000 International Conference (International Conference on Software Maintenance)

This text on software maintenance covers topics such as: reverse engineering; re-engineering; empirical studies; and management.

Conferences Giuliano (Giulio) Antoniol System Design, Development and Maintenance Jan Bosch, Morven of the 22nd International Conference on Software Engineering (ICSE 2000), Limerick, Ireland, Conference on Software Maintenance (ICSM 99), Oxford, 1999, Page(s): **1998 International Conference on Software Maintenance (ICSM98)** Analysis of preventive maintenance in transactions based software systems. of the International Conference on Software Maintenance (ICSM), October 2000, **Software Evolution and Feedback: Theory and Practice - Google Books Result** Software Maintenance (Icsm 2000): 2000 International Conference (International Conference on Software Maintenance). by Calif) International Conference on **ELEC 875 - Design Recovery and Automated Evolution - POST** Software Maintenance (Icsm 2000): 2000 International Conference: Calif) International Conference on Software Maintenance (2000 : San Jose: **Impressions from ICSM 2000 - Chapin - 2000 - Software Focus** Proceedings of the 24th International Conference on Software Engineering Based on UML Designs, Proc. of Intl.
