

# RHS Garden Finder 2007-2008 (Rhs Garden Finder (Royal Horticultural Society))

Garden lovers will have to own this leading, fully updated guidenow in color for the very first time! Produced by the Royal Horticultural Society, it reveals where to see plants growing in more than 1,000 British gardens including 150 nurseries and demonstration gardens that are open to the public. Each entry, which is listed alphabetically by country or region, includes a description, with highlights and key features; full contact details, including opening times, admission fees, and coded facilities; and brief directions. In addition, there are comprehensive regional maps at the back, and an alphabetical listing to help visitors choose the gardens with the very finest displays.
