

# Portuguese Phrase Book & Dictionary (Collins Phrase Book & Dictionary)

Collins continue to build on the strength of their phrase books by improving and updating their highly successful Phrasebook and Dictionary series. This new edition will contain a photo-key section illustrating signs and other practical and useful information. Previously three books in one, the new series will contain four books in one -- a phrase book, a food guide (with menu reader), a dictionary, and now a photo-key guide showing signs and practical, useful, visual information. The phrases are short and easy to use. The language reflects everyday speech - there are no lengthy sentences to struggle and sweat over. The phrases have a simple guide to help with pronunciation, and there are also practical tips. Collins Phrase Books aren't just for emergencies. They are designed to allow you to get the most out of your visit abroad: from sampling the food to getting the best deals on public transport
