

Command Presence

COMMAND PRESENCE is an exciting, interesting and detailed collection of actual events that took place in the life of Officer and Doctor James Scott. Some will make your blood boil. Some will make you laugh. Some will make you sad. Police chases, an air plane crash, shots fired, people saved, and much more. Delivering babies in a mud hut, building a hospital in the remote jungles, sick and injured people everywhere; it never stops! The failing court system. The emotional ups and downs. COMMAND PRESENCE will open your eyes to the real world.
