

Word 2007: Advanced + Certblaster & CBT, Instructors Edition (ILT)

This ILT Series course, rated 4.9/5.0 in overall quality by ProCert Labs, builds on the skills and concepts taught in Word 2007: Intermediate. Students will perform mail merges, create and use forms, and create master documents that include a table of contents, a table of figures, footnotes, endnotes, an index, bookmarks, cross-references, and Web frames. They will also create macros, customize the Quick Access toolbar and keyboard shortcuts, and work with XML documents. Comes with CertBlaster exam prep software (download) and a companion CBT program. Designated as Approved Courseware for the Microsoft Certified Application Specialist program, this course will help students prepare for the Word 2007 exam (77-601). For comprehensive certification training, students should complete Word 2007: Basic, Intermediate, and Advanced.
