

Computerized Accounting with Quickbooks 2014: Instructors Guide with Examview

Computerized Accounting with QuickBooks 2014 teaches both the accountant and non-accountant student how to use QuickBooks 2014, one of the most popular general ledger software packages available. Through detailed step-by-step explanations and hands-on exercises, students get ample practice opportunities to ensure mastery of the accounting concepts. With this text, your students will:* Receive immediate reinforcement of accounting concepts and apply their skills through practice exercises.* Learn what to do and why through a practical, effective, building-block approachIncludes a 140-day trial of the Student Trial Edition Software!
