

## Creating Equal: My Fight Against Race Preferences

Ward Connerly first burst onto the American scene 1995 as the University of California Regent who had forced the largest public university in the country to become color-blind in its admissions policies. Connerly led the 1996 campaign to pass California's Proposition 209. In 1998, he spearheaded a similar successful anti-discrimination measure in Washington. *Creating Equal* chronicles Connerly's unique friendship with California governor Pete Wilson, as well as his encounters with figures like Bill Clinton and Al Gore, mogul Rupert Murdoch, Gen. Colin Powell, and Jesse Jackson. But above all, this book tells about how one man's willingness to break ranks created a movement whose end is not yet in sight.
