

## Cruise Guide to the Mediterranean Sea: Tips for excursions, entrance fees, opening hours and public transportation

Are you planning a cruise in the Mediterranean Sea? This guide will give you plenty information about booking, check-in and life onboard. The most important content of the book, are hundreds of tips to save huge amounts of money with individually planned shore excursions in 28 ports of the western and eastern Mediterranean Sea. Information on public transportation and the location of stations are also included, as well as entrance fees and opening hours of many sights! Small maps show you the fastest and cheapest way to your shore destination. Enjoy the few hours ashore with maximum fun, experience, and WOWs, all for a low-price! The eBook will be updated several times a year, including new ports! Enjoy the brand new chapter Fifty Facts which is about educational, funny and curious facts about cruise ships all over the world! But if you have plenty of money to spend during your cruise and you only want to attend expensive original ship excursions, please do not waste your money on this guidebook...
