

## CruisePortInsider Guide to Grand Cayman--2013

Are you headed to Grand Cayman on a Caribbean cruise? Since you'll only have around 8 to 10 hours to spend ashore, make the most of your time in Grand Cayman and plan a great day in port with this CruisePortInsider Guide. Grand Cayman is the second most popular port in the Western Caribbean, and there are a lot of things to do in George Town and on the island. Whether you're looking for the perfect cruise line shore excursion, or you want to do your own thing during your visit, you'll find this guide to be indispensable. This CruisePortInsider Guide provides helpful restaurant and shopping recommendations, information on the local cuisine, where to locate convenient ATMs, internet cafes and Wi-Fi hotspots, and what festivals may be taking place during your visit. Plus, if you're looking to do your own thing while in Grand Cayman, we suggest things you may want to do and see, and how to get it done. Our Grand Cayman Guide is a perfect traveling companion while you're on your cruise. Since only 30% of cruise ship passengers pre-arrange their shore activities before they go to sea, this eBook can be particularly helpful if you want to check out the shore excursions offered by the major cruise lines. We provide detailed information on the shore trips offered by Carnival, Royal Caribbean, Celebrity, Princess, Holland America and NCL. You can use our shore excursion writeups like a menu of what there is to do on Grand Cayman. Each writeup includes an in-depth description of the activity, what you should bring, the price of the trip, the difficulty level of the trip, how you get to what you're doing, how long it will take to get there, and recommendations on who should undertake each activity. Plus our Guide offers interesting Additional Venue Information that provides context on just why you'd want to go on an individual excursion. And if your cruise line doesn't

offer one of the shore excursions that your heart is set on, our Doing Grand Cayman on your Own section has an expansive list of alternative vendors allowing you to take part in the same activity. Enjoy your time in Grand Cayman! And dont forget to bring our CruisePortInsider Guide to Grand Cayman.
