

Culture Briefing Vietnam: Your guide to Vietnamese culture and customs

Culture Briefing: Vietnam provides current, in-depth information found in no other single publication to help you understand the culture, customs, values and beliefs of the Vietnamese people. Whether visiting Vietnam, working on a class paper or doing business with the Vietnamese, you'll find Culture Briefing: Vietnam an invaluable resource. If you're traveling to the country, supplement your travel guide with Culture Briefing: Vietnam. It will let you enrich your trip, giving you knowledge about Vietnamese etiquette and traditions and more financial success when traveling on business. You'll also receive the information you need to help you feel comfortable in what might otherwise be a strange environment, including a list of dos and don'ts. You'll gain the wisdom necessary to talk intelligently with the Vietnamese, discussing the life they live, deciphering and interpreting how they think and behave. No longer will you run the risk of embarrassment when in conversation with the Vietnamese people because you brought up a taboo subject, couldn't comment on an aspect of local life or knew nothing of their form of government. With Culture Briefing: Vietnam you'll discover the character, traditions, and world view of the Vietnamese. You'll learn of their artistic endeavors and political ways. You'll find out about their home, family and religious life as well as how they make a living, educate their children and spend their leisure time. You'll also discover the problems the Vietnamese people face and see how they handle them.
