

Can Men Cook?

This is a funny cook book. Its got jokes, stories and cartoons. Thats your reward for doing the cooking bits. It is all designed to make it easy, quick and fun. Your journey will take you from the perfect bacon sarnie to a full Sunday Roast. And it will be painless. Phil Hawthorn is an at home cook. He was a successful contestant on ITV's Britains Best Dish (recipe included!). He will share a load of shortcuts and simple methods with you. Cooking from scratch will not scare you anymore. And doing all this will make your partner so grateful you will be amazed at the result. Women may read this too, but will have to put up with the jokes and innuendo. Sorry.
