

Unofficial Diddy Kong Racing: Ultimate Strategy Guide

The creators of Donkey Kong Country are back with this highly enjoyable cross between Donkey Kong-style adventure and Mario Kart-style racing. Nintendo put a huge marketing budget behind this game--even bigger than the budget for the blockbuster Star Fox 64. Sybex's very own Wolf-man weighs in with tips, techniques, and racing strategies that will take every reader across the finish line. Low-priced to sell!
