

Parallel Computing: Software Technology, Algorithms, Architectures & Applications, Volume 13: Proceedings of the International Conference ParCo2003, Dresden, Germany (Advances in Parallel Computing)

Advances in Parallel Computing series presents the theory and use of of parallel computer systems, including vector, pipeline, array, fifth and future generation computers and neural computers. This volume features original research work, as well as accounts on practical experience with and techniques for the use of parallel computers.

Parallel Computing: Software Technology, Algorithms, Architectures Parallel Computing Software Technology Algorithms Architectures Applications Volume 13 Proceedings of the International Conference ParCo2003 Dresden Germany Advances in Parallel Computing, Unknown Advances in Parallel Computing series presents the theory and use of of parallel computer systems, including **Parallel Computing: Software Technology, Algorithms, Architectures** Parallel Computing: Software Technology, Algorithms, Architectures & Applications, Volume 13: Proceedings of the International Conference ParCo2003, Dresden, Germany (Advances in Parallel Computing) (English) - Buy Parallel Computing: Software Technology, Algorithms, Architectures & Applications, Volume 13: **:: Data-Intensive Cloud Computing Lab :: :: publications:author** Parallel Computing: Software Technology, Algorithms, Architectures & Applications, Conference ParCo2003, Dresden, Germany (Advances in Parallel Computing) - Buy Volume 13: Proceedings of the International Conference ParCo2003, Dresden, Algorithms, Architectures & Applications, Volume 13: Proceedings. **:: Data-Intensive Cloud Computing Lab :: :: publications:keyword:grid** Keywords: Parallel computing, Computer architecture, High Performance International Journal of Advance Research in Computer Science and ..
