

## Doctor Sally

When Bill Bannister meets Dr. Sally Smith, love blossoms immediately. Unfortunately there is just the small problem of Lottie Higginbotham, former actress, serial bride, and human fireball, with whom Bill is already involved. The well-meaning interference of Bills old friend, Squiffy Tidmouth, once married to Lottie, only complicates matters further, until everything is straightened out in a series of comic encounters at Bills ancestral home and everyone lives happily ever after.
