

## Dolce & Gabbana : Animal

Dolce & Gabbana take a walk on the wild side with the help of their spotted friends. Annie Leibovitz, Steven Meisel, Helmut Newton, Herb Ritts, Ellen von Unwerth, and Bruce Weber are just a few of the photographers whose shots of stars and models illustrate this second book on the most exciting team on the international fashion scene, the pairing of Italians Domenico Dolce and Stefano Gabbana. In oversized photos and full color, this lavish volume presents a stunning collection of designs by Dolce & Gabbana worn by Andie Macdowell, Naomi Campbell, Sheryl Crow, Claudia Schiffer, Shalom Harlow, Annabella Sciorra, Christy Turlington, Michelle Pfeiffer and Elizabeth Hurley. Famous fans of D & G from Isabella Rossellini, Cindy Crawford, Madonna, and Demi Moore to Luciano Pavarotti contribute their thoughts in brief quotes. Anyone involved in the world of fashion, from designer to store-buyer to consumer, will be amazed by the diversity and originality of this team's work and fascinated by the images presented in this book.
