

Dont Even Think About It

In *Dont Even Think About It*, Hock shares the details of his life investigating crime. He tells how he escaped New York City on a motorcycle headed west, planning to catch a freighter to Australia. But he ends up instead in Texas dodging bullets and tracking down criminals, first as a security guard, then in Asia working for Uncle Sam as a military policeman and investigator. Hock also explains how he parlayed military service in law enforcement into a civilian police investigations, private eye and bodyguard career that spans nearly three decades. *Dont Even Think About It* educates, while it entertains, and leaves the reader turning pages well into the night. Along the way Hock reveals the thrills, spills and mysteries as well as the missteps, he encountered serving in law enforcement both in the U.S. and abroad. For anyone considering a career in law enforcement, or for readers interested in real crime stories, *Dont Even Think About It* is a MUST READ. It leaving any reader hungry for more.
