There are lots of unusual or offbeat type of vacations out there. Some colleges offer summer vacations where you go, stay in a room at the college and take one or several short-term interesting courses designed for a group who wants an intellectual, inspiring few weeks. They have social events. You're with a group, not alone. Most people have never heard of Chautauqua, New York or what happens there in the summer when the town opens up with an air of positive, spiritual-inspired atmosphere of creative-intellectual activities kind of like Ted talks in real life. If I was a politician, I would create several big Chautauqua Institutions. There is so much out there that people don't know about. Here's the list of cool ideas I put in the last two chapters. I'm sure there is more out there that I don't know about but there's a start for you.
