

## Even More Old Jewish Comedians

The superheroes of the Borscht Belt! Master caricaturist/portraitist Drew Friedmans spectacular visual tribute to?well, old Jewish comedians?returns with a third and concluding installment that throws its net a bit wider to include a few women (Olive Oyl voice Mae Questel, Ed Sullivan show regular Jean Carroll, and The Rise of the Goldbergs creator Gertrude Goldberg); a handful of more contemporary figures (Richard Belzer, whose Law & Order: SVU gig has eclipsed his stand-up comedy, and Welcome Back, Kotters Gabe Kaplan); and pop-culture legends (Prof. Irwin Corey, legendary Warner Bros. voice artist Mel Blanc), plus among others Marty Ingels, Fyvush Finkel, Gary Morton, Sam Levenson, Bobby Rensen, Max Patkin, Marvin Kaplan, Norm Crosby, Sammy Shore, Joey Adams, Lou Jacobi, and Sid James. Its a heaping pastrami sandwich of gloriously liver-spotted, wrinkled personalities, that will appeal to anyone who likes old people, Jews, or comedians. Even More Old Jewish Comedians, which features a cover of comedian Stewie Stone, is augmented with an introduction from not-quite-old-yet Jewish comedian and Comedy Central roasts regular Jeffrey Ross. 40 full-color illustrations
