

Dropping Off The Grid: Privacy Issues (Parenting and Families Book 1)

Privacy Issues - Dropping Off The Grid is all about protecting your privacy and your loved ones from such things as identity theft, data theft, and consumer fraud. The identity thief is patient and lurks in the background waiting for you to slip up. ID theft prevention is easy and this book will give you resources on how to protect yourself and loved ones from all types of internet privacy issues. It provides valuable resources to protecting your privacy in a variety of situations such as Internet, credit, business and personal. It is the only compendium of its kind that gives you everything you need to protect your privacy and all at your fingertips. Keep the criminal elements and stalkers at bay. Protect your identity, your finances and your privacy now. This Parenting and Family book is a one that the whole family can enjoy. Teach your children while they are young to guard their privacy. Make it a family activity. Privacy is a right! Know your consumer rights today!
