

Street-Smart Spanish for First Responders

This quick-reference guide was written to help anyone who ever arrived on a scene only to find a language barrier hampering their response. Spanish is the second most-common language spoken in the United States after English. As a first responder, it's vital to be able to communicate with victims and witnesses without delay. This handy guide will help you ascertain a patient's condition, get descriptions, and assess situations. Forget your high school Spanish class! This book uses phonetics and tables so you don't have to wade through unnecessary dialogue. Topics covered include: * Questions and commands* Body Parts* Numbers* Months* Days of the Week* Colors* Diseases and illnesses* Drugs* Objects* And more
