

eBay Next Step: 7 Things That Every eBay Seller Should Do... But Probably Wont!

This book is aimed at anyone who sells on eBay who wants to earn more money by doing things that the average eBay seller doesn't even think of. The first 6 steps in this book can be completed in less than a day for less than a \$5 setup cost which will multiply the average eBay seller's profits by a multiple of 2-10 times (Depending on the number of items that they sell and their profit margins). Automatically and dynamically filter your eBay feedback. Build a list of your customers automatically and remarket to them. Stop leaving money on the table. And much more!
