

## A Cockneys Journey

Born into a South London household, Eddie Allen grew up in Peckham and Old Kent Road during the 1960s, subjected to brutal beatings from his father, then homeless and thrown into fatherhood and marriage at the age of sixteen. His strong beliefs in spiritualism derive from his experiences during and since late childhood, beginning with a vision of his dead grandfather at the age of eleven. His journey is both unique and compelling - you will never read another story like his.
