

Juergen Teller: Election Day

An integral element of Vivienne Westwoods Spring/ Summer 2009 advertising campaign, Juergen Tellers Election Day features an unlikely collaboration between the doyenne of British street style, Baywatch star Pamela Anderson and Westwoods former assistant/current husband Andreas Kronthaler. Employing Tellers signature theatrical mis-en-scene, these images--shot on location in Los Angeles--include Vivienne and Andreas friends, members of the band Queens of the Stone Age. Escaping all efforts at narrative or categorization, the volume features shots of the protagonists in a golf buggy, Anderson reading Platos Republic with a nipple visible through sheer fabric, Westwood and Anderson frolicking in clothes baskets at a launderette and the two beaming in front of a television announcing Barack Obamas imminent victory.
