Begin planning your Disneyland trip by knowing you've made the right choice: Elijahs Disneyland 2016 Quarterly Guidebook for Parents (Jan - March Edition) is researched and written seasonally - not annually - ensuring the information you're holding is the freshest available down to the last detail. Furthermore, this guide is customized to the unique needs of parents with little ones in tow at Disneyland: a full chapter devoted to attraction-specific potential scare and trigger factors, kids meals, and how to keep children eating healthy while at Disneyland. Each attraction review features a full Family Tips section so you know whom each attraction is best for. You'll learn about Rider Swap - Disney's plan for allowing parents to enjoy rides your children may still be too small for. Most importantly of course, you'll learn how to meet your favorite Disney Princesses at Fantasy Faire, where you can go to sing-along with Anna & Elsa from Frozen, and how to get your child registered for Jedi Training: Trials of the Temple in Tomorrowland! You'll find key money and time-saving trip planning resources - all customized for early 2016 - throughout this book. Advice on when to visit is compared against closed attraction schedules; advice on where to stay is augmented with info on El Niño 2016, California's upcoming major storm front. Detailed and researched touring plans (including plans for Families with Younger and Older Children), fully-labeled maps, and attraction photos accompany a top-to-bottom scientifically-researched breakdown of the entire Disneyland Resort. Easy-to-digest information is provided in quick, at-a-glance formats throughout the book. Take a full overview of the entire Resort, investigate each park, and then discover each attraction, show, shop, and restaurant within. Expert non-biased reviews, family tips, store merchandise

selections, and restaurant menus are all found within these pages - all brought to you by the dedicated team of journalists, researchers, statisticians, and family psychologists at TrolleyNews.com (be sure to check [TrolleyNews.com/updates](http://TrolleyNews.com/updates) in the days and weeks leading up to your trip for the latest Disneyland information). Im personally excited for your trip to The Disneyland Resort! Youll be going during a beautiful time of year, right in the middle of two big celebrations! Disneyland is continuing its Diamond 60th Anniversary Celebration through Summer 2016 with two magical new nighttime entertainment offerings, Paint the Night! Electrical Parade and Disneyland Forever Fireworks Spectacular. The late night fun continues at Disney California Adventure, with the all-new World of Color - Celebrate! The Wonderful World of Walt Disney and Diamond Mad T Party!Disneylands other big celebration is Season of the Force - a Star Wars-inspired takeover of Tomorrowland! In addition to new scenes on Jakku inspired by The Force Awakens at Star Tours: The Adventures Continue, you can engage in a thrilling TIE Fighter battle at Hyperspace Mountain, Meet Chewbacca and Darth Vader at Star Wars Launch Bay, or recap the Star Wars saga at Star Wars: Path of the Jedi. Young padawans will learn to conquer their fears at Jedi Training: Trials of the Temple while hungry space travelers can refuel at Galactic Grill. More new adventures and surprises may be found throughout the parks! From new scene enhancements on Peter Pans Flight and Matterhorn Bobsleds to the latest menu changes at The Blue Bayou, you wont miss a beat on the most current offerings and changes at Disneyland.
