Our exclusive, just-for-parents features include how and where to eat healthy, ride-by-ride potential fright guide, and detailed family recommendations for each attraction. You'll become the expert with informative facts about each attraction and a detailed, expert review. After a handy, at-a-glance description, you'll learn quick facts about the attraction including location, ride type, and family recommendations. We advise you on when to ride to avoid the heaviest crowds and give you any needed family tips for little ones and senior citizens. Our exclusive features include a comprehensive disability guide for each attraction, fun History & Trivia sections to help you pass time in line, and information on attraction variations at other Disney Parks around the globe. All shops are reviewed with merchandise selection descriptions; all restaurants are reviewed for menu items, pricing, and quality. We are the only guide to update our information seasonally, not annually, ensuring that you are given the freshest, most accurate information available.
