

Email from the Edge: Revised and Updated

The Scholar Ship (www.thescholarship.com) is a fascinating concept in higher education. Sadly, in the months following our Spring 2008 journey, The Scholar Ship ceased operations. Thus, as of this writing, The Scholar Ship is no more. A more complete and exhilarating educational vessel has never put to sea, but, alas, operating a university on the high seas is financially riskier than asking a pirate to safeguard your piggy bank. Though The Scholar Ship may be gone, it will never be forgotten. In my opinion, global educational initiatives, such as The Scholar Ship, represent the future of international education. Thus, I feel safe in believing that The Scholar Ship is not really gone, it is simply experiencing a brief hiatus. Perhaps I'm wearing rose-colored glasses, but I look forward (a few years down the road) to the re-launching of The Scholarship: bigger, better, and more fun than ever. ISBN 978-0-557-05006-2
