

Enjoy It While It Hurts

Enjoy It While It Hurts is an edifying miscellany of quarrelsome quips, holiday oddities, benevolent advice, curious thoughts and comically apocalyptic melancholia. This delightful collection of light verse and nonsense poetry written and illustrated by the award-winning, multitalented JonArno Lawson keeps alive the traditions of Edward Gorey, Shel Silverstein and Hilaire Belloc. Erudite, witty and wholly original, Lawsons wordplay is serious business.
